

What do Impact Missions look like?

- ◆ Impact Missions bring churches together across Europe for an intensive period of missional endeavor.
- ◆ Impact Missions usually take place over a four or five day period (e.g. Thursday to Monday, or Saturday to Thursday).
- ◆ The host church determines what the outreach time will consist of. This will be highly relational and aligned with their context and location.
- ◆ Several key events might take place over the period of time. Some may target Youth, Men, Women, The business community, Sports, Music/Arts etc.
- ◆ The preparation of the Impact Mission will match gifting and life experience with expectations/plans of the host.
- ◆ IC will assist with brainstorming, training and the strategy for both the sending and host churches.

International Commission is an independent organization that promotes and facilitates global evangelism projects.

It was born out of a vision for church-to-church evangelism projects that have a positive and long-term impact on both those who receive and those who volunteer and go.

The Western European leadership for IC has been engaged in team evangelism projects in Western Europe for more than 30 years.

The EuroLeadership Team is comprised of leaders from each nation. The Team takes ownership of the strategies proposed within Western Europe.

Ultimately, the leadership from each country determines the particular strategy to follow as a decision is made to host a project.

Impact MISSIONS

Connecting Western European Churches in a Partnership Outreach Experience

International Commission 
Europe Office

Why **Impact** Missions?

- Accessibility of Europe: Both in terms of proximity and language, Europe is a much smaller continent. Without crossing major time zones and in a couple of hours you have reached the desired destination.
- The changing face of travel: it seems that like there has been no other time in history where people have less time yet greater access to the world. The low budget airline industry and the emergence of the mini-break have recently birthed a culture of cross-cultural travel in Europe.
- With the majority of churches in Europe being under-resourced and financially-challenged, the **Impact** Mission provides an affordable experience for both the receiving and sending churches.

You are the difference...

There are important things believers are needed to do.

♦ **Hosting**

There are opportunities for a church to host a church team from another culture within Western Europe to reach out to your people who have no relationship with God.

♦ **Going**

Church will help their team prepare. Guests, hosts and many who have a relationship with the hosts will experience the transformational power of God.

♦ **Giving**

Many will participate by providing financial support to help others participate.

♦ **Praying**

Every believer who would want to see the transformation of an entire continent for God can pray!

So what do I do now?

- ♦ **Ask your church to host!**
- ♦ **Begin forming a team from your church to go to another place.**
- ♦ **Find out where the next **Impact** Mission is taking place.**
- ♦ **Make your own plans to go, host, give, and pray!**
- ♦ **Contact Scott Corwin of International Commission**
