

Your Invitation: Scotland Student Outreach

September 24 – October 2, 2010

The people of Almondvale Community Church in Livingston (near Edinburgh), have partnered with International Commission and McKinney's First Baptist Church to participate in a student and youth evangelistic outreach that could dramatically impact this beautiful region, the buckle of the urban belt of Scotland.

You are invited to make a difference in your world during the fall of 2010: join with fellow believers and youth and families from Deans Community High School in this great Kingdom project. We will live and work with families from this innovative church and really get to know them and their friends and family, sharing with everyone we meet the great Good News of God's love for every person.

You are invited – actually commissioned by Jesus himself – to be a part of this strategic opportunity. Your financial capability is not a factor: God will provide! Culture is not a barrier: love, smiles and enthusiasm speak to the heart of every person, beyond the ability of tongue to communicate! Your *availability* is the gift God asks. We will partner with the people of the Almondvale church in special outreach activities that will leverage your presence to touch students and their families with compassion and Good News for Jesus.

Meetings in each month (and later more often) will help you get ready. You will have your own story printed for you to use as a tool for sharing your story. We will help you prepare, but God will meet your every need!
