

General Information

Approach:

Virtually all projects in Western Europe follow an “emergent” evangelism strategy. This approach builds relationships as the basis for authentic sharing of God’s love.

Application Packet:

An Application Packet may be requested from the Project Coordinator (Mark Presley). The Application Packet includes the following:

- Steps of Faith
- New Application Form
- Sample Passport Application
- Testimony Form: all participants must write an updated testimony in story form and provide a digital photograph.
- Prayer Partner Information Cards.

All forms and payments can be turned in during the preparation meetings.

Western Europe is the least evangelized continent on the earth.

Testimony

Hello Friends

How are you? Have you had a good trip back to America? We miss you. We have had a wonderful week with you in Heemskerk.

This last week I have been searching for excuses to let me not get baptized, but I have no excuses found. So I have decided to let me baptize, I thank the Lord that he gives me this chance, to go further with him.

I thank you for the words that helped me to make this wonderful decision. We’ll keep in contact, en I wish you all the best.

Thanks for everything.

Your Invitation

Dear Friend,

Vroomshoop Baptist Church and its mission church in Hardenberg have had a vision for using teams from other cultures to join with the members of their churches to accelerate the connection with Dutch people who do not have any kind of relationship with God, a church or religion.

The pastor of this church has always invited a team to come to his church in previous IC projects. He is retiring at the end of October and he has requested a team of 10 to come and serve with his church as the last significant event of his ministry.

The team from FBC McKinney will be the only church sending a team on this project and will have the honor of working in a church, its mission and city where people are expecting God do a mighty work.

The relational style of sharing allows the people you meet to be comfortable in a conversational setting to share their own story, hear your story, discover God's story and join you in a Journey whose destination is a person, not a place.

Can you hear God calling **you** to go to serve in the white harvest fields of Netherlands, seeing God at work to grow two powerful churches?

For His Glory
