"There are two things you can do on earth that you won't be able to do in heaven, the first is sin. The second is telling a lost person about Jesus! Our time on earth is short, tell as many as you can." ~ Unknown

Testimony

We were surveying door-to-door in Falcarragh, when we came across a man in a garden. We asked him if he would complete the survey. He thought of himself as a spiritual person and did attend Mass with regularity, but did not read the Bible at all. I then asked him what he would ask Jesus if He came walking down the driveway at that moment. He looked me in the eye and said, "I'd ask him who He really was and why was He there visiting me." I realized he did not know Jesus loved specifically him. I told him my thoughts and said, "Jesus did not come just for 'mankind', he came for Paddy." I pray that God will send his Spirit to Paddy, that his ears would be closed to man's voice and he'd hear only the truth of the Lord.

Your Invitation

Dear Friend,

A wonderful and experienced church-planting couple, Alan & Rosemary Armstrong, have a passion to begin new evangelical work in County Donegal, Ireland. With a population of 130,000 in the North-West region, the Evangelical presence is very small and little has been done in outreach in recent years. This area was once a famous base for Saint Patrick's Celtic Christianity in the sixth century.

This invitation comes from this couple to join them for a week of making contacts, building friendships in an area that has had little contact with the Gospel. Three churches in Northern Ireland (part of the U.K.) are also hosting a team during this general time.

The target outreach area will include the villages and communities of Derrybeg, Bunbeg and Gweedore. We may be able to visit Cruit Island. Some of the homes will not have been visited in living memory.

Come be a part of this great movement of the Holy Spirit and share in a time of impact in this lovely country.

For His Glory
